2003 / 2004 - Issue # 2

It's almost Christmas as this issue is being assembled. and for this to be only Issue #2 means that we are later than usual, mostly due to the way the open judging pattern behaves. But never mind, the so labeled "closed judging", which is open to anyone that wishes to attend, has already been completed for Clinic #3; it will be shown on January 12/04. Your Executive continues to be very busy with ideas for the future of the club, with items such as the purchase of a digital projector, for which the need continues to escalate, as well as the idea of a future "garage sale" of photographic items this spring under discussion. And speaking of spring, it promises to be a very busy time at the club, with items such as the Three Club Exhibition, Photo Essay Night, our hosting of the Bronze Box Competition, plus Year-End Trophies to name just some of the events.

On behalf of the entire Executive, your old editor now wishes each and every one of you a very Merry Christmas and Health and Happiness in the coming New Year!!!

In the Clinic results section we start this time with those in the Self-Made print category for Clinic #1. These were not available for inclusion in the previous issue, so we present them now, with congratulations to the various winners. The Assignment topic then was "Yellow".
