Harbour Seal-Battle Scars	8.5	8	7	23.5			Tom Kallsen	An excellent image. The exposure is very good. The image is sharp. The image tells a tragic story. It has impact. The maker could try cropping some off the top and right side so the eye of the seal is not central in the image.			Senior

Sentinel	7	7	7	21	HM	Agnes Richard		matches the title nicely; in some circumstances less space around the tree would be good, but here, the spacing lends to the lonely effect of being a sentinel		Junior
